

“DAIKIN” OIL HYDRAULIC EQUIPMANT

Hybrid hydraulic unit

- Super Unit
- Eco Rich
- Eco Rich - H
- Super Eco Rich

Piston pumps

- V series piston pump
- VZ series piston pump

Motor pumps

M series motor pump

Rotor pump

RP series rotor pump

Vane pumps

Vane pump (DS,DV")

Gear pumps

Gear motor pump (MFP)

Pressure control valves

- Direct operated type relief valve (JR,SR,HDRIR)
- Pilot operated relief valve (HDRI,JRB,JRBS)
- Relief valve with solenoid operated valve (JRS,JRSS)
- Pressure control valve (JQ(C))
- Low pressure reducing valve (SGB)
- Pressure reducing valve (JGB(C))
- Relief pressure reducing valve (SGR)

Directional control valves I

- Low watt type solenoid operated valve (LS)
- Solenoid operated valve (KSO)
- Solenoid pilot valve (KSH,JS,MEP)
- Seat type solenoid operated valve (JSC)
- Manually operated valve (JM)

Modular stack valves

- 02 Series modular stack valve
- 03 Series modular stack valve
- 04 Series modular stack valve
- 06 Series modular stack valve

Proportional valves/ Servo valves

- Proportional valve (JRP, LEM', KSP, MGS)
- Servo valve (KSPS, JSES)
- Controller(KC, ZH, KF', ZDN, EP', EPK')

Cartridge valve

Two-port, Four-port multipurpose valve

Cooling equipment and system

- LT Cooler
- Oil cooling unit (AKZJ/AKZC 8 series,AKZ 9 series)

Positioning motor

TM series

Oil hydraulic units

- NDR series rotor pack
- NDJ series new DAIPACK
- ND series Mini-pack/New DAIPACK
- SSS mark II oil hydraulic unit

Flow rate control valves

- Flow rate adjusting valve (SF, JF(C))
- Throttle valve (TSC,HDFT(C))

Directional controlval valves II

- Inline check valve (HDIN)
- Light angle check valve (JCA)
- Pilot check valve (JCP(D))
- Pre-fill valve (HPF)
